PROFESSIONAL SUMMARY

BSN candidate and active California Certified Nursing Assistant with 1,000+ hours of direct patient contact across paid CNA work and supervised clinical training. Brings an earlier foundation in business banking, marketing, leadership, technology, and client service.

Known for clear communication, adaptability, and practical systems thinking grounded in respectful, patient-centered care.

HEALTHCARE EXPERIENCE

Certified Nursing Assistant

Skilled nursing and sub-acute care | 2026-Present

- Provide direct resident care including activities of daily living, mobility, transfers, repositioning, toileting, feeding, hygiene, and comfort.
- Measure and report vital signs, intake/output observations, and changes in condition; support accurate handoff and documentation.
- Collaborate with nursing and rehabilitation teams while supporting infection prevention, fall prevention, skin safety, and discharge readiness.

Student Nurse / Clinical Nursing Student

Nightingale College supervised clinical rotations | 2024-Present

- Develop clinical judgment through assessment, SBAR, safety, medication workflow, patient teaching, care planning, and interdisciplinary communication.
- Supervised experience includes wound care, urostomy care, insulin administration, IV discontinuation, nebulizer treatment, mobility support, and head-to-toe assessment.

BUSINESS AND LEADERSHIP EXPERIENCE

Business Banking Development Associate

PNC Bank | 2022-2023

- Supported business bankers and established small-business clients through relationship management, lending and treasury exposure, document coordination, confidential information handling, Salesforce/CRM tracking, and service issue resolution.

Selected earlier experience: Lead Web Development Associate, 3STEPS4WARD (2023); Marketing Director, COPMORE Partners (2021); Customer Service Supervisor III, Fry's Electronics (2018-2019).

PROFESSIONAL CAPABILITIES

Banking and client relations: Relationship management, lending and treasury exposure, confidential documentation, Salesforce/CRM, and issue resolution.

Marketing, web, and operations: Digital marketing, brand messaging, web/UX work, customer-service supervision, escalations, and project coordination.

Japanese and cross-cultural communication: Japanese Language and Culture minor, Chuo University study, tutoring, and exchange-program experience.

RN PATH

BSN completion: April 2027

Planned NCLEX-RN: May-June 2027

Seeking: Structured new-graduate RN residency; medical-surgical, telemetry, acute care, or another unit with strong new-graduate support. Available June 2027.
